**WE LIKE TO KEEP
THINGS SIMPLE.**

Living with ReSound Essence couldn't be easier. With its great design and ease of fitting it's as comfortable as it gets. All the controls are clearly marked and simple to use; volume and programme settings are managed at the push of a button.

It's also strong enough to take the everyday wear and tear in its stride, day after day, year after year. Whilst its use of a long life battery means frequent battery changes are a thing of the past.
